FOR IMMEDIATE RELEASE

SANMINA-SCI HOSTS GLOBAL STRATEGIC SUPPLIER SUMMIT

Electronics Manufacturing Services Provider Meets With Its Suppliers to Strengthen Business Relationship and Recognize Top Performers

SAN JOSE, Calif. – November 18, 2009 – Sanmina-SCI Corporation (Nasdaq NM: SANM), a leading global Electronics Manufacturing Services (EMS) company, today announced the winners of its top supplier awards. These suppliers were acknowledged at Sanmina-SCI's Global Strategic Supplier Summit held on November 17, 2009, in Santa Clara, California. Sanmina-SCI's Global Supply Chain Organization partners with suppliers around the world that demonstrate excellence in quality, delivery, productivity and innovation. The following suppliers were honored by the Company at the event for their performance during the past twelve months:

- Outstanding Performance Award
 - Fuji Machine Manufacturing
 - KEMET Electronics
 - Molex Incorporated
 - NXP Semiconductor
 - Samtec Incorporated
 - Yageo Corporation
- Service and Support Excellence Award
 - Avnet
 - Nu Horizons Electronics
- Best-in-Class Agility Award
 - Texas Instruments

“Bringing our suppliers from around the world together at this event gave us the opportunity to align objectives and share our strategic business directions,” stated Victor Wu, Senior Vice President of Sanmina-SCI’s Global Supply Chain Organization. “The suppliers and their dedicated people were recognized at this event for consistently meeting our requirements for quality, delivery, service and flexibility during the past twelve months. I congratulate the winners on their achievements and thank them for their support.”

About Sanmina-SCI

Sanmina-SCI Corporation is a leading electronics contract manufacturer serving the fastest-growing segments of the global Electronics Manufacturing Services (EMS) market. Recognized as a technology leader, Sanmina-SCI provides end-to-end manufacturing solutions, delivering superior quality and support to OEMs primarily in the communications, defense and aerospace, industrial and medical instrumentation, multimedia, computing and storage, and automotive technology sectors. Sanmina-SCI has facilities strategically located in key regions throughout the world. More information regarding the company is available at <http://www.sanmina-sci.com>.

Sanmina-SCI Safe Harbor Statement

The foregoing, including the discussion regarding the Company's future prospects, contains certain forward-looking statements that involve risks and uncertainties, including uncertainties associated with economic conditions in the electronics industry, particularly in the principal industry sectors served by the Company, changes in customer requirements and in the volume of sales to principal customers, the ability of Sanmina-SCI to effectively assimilate acquired businesses and achieve the anticipated benefits of its acquisitions, and competition and technological change. The Company's actual results of operations may differ significantly from those contemplated by such forward-looking statements as a result of these and other factors, including factors set forth in the Company's fiscal year 2008 Annual Report on Form 10-K and the other reports, including quarterly reports on Form 10-Q and current reports on Form 8-K, that the Company files with the Securities Exchange Commission.
