TOCNET®-G4

## Superior capabilities + adaptable, future-proof functionality

TOCNET®-Generation 4 is SCI™ Technology's most advanced Unified Voice Management System (UVMS) to date. With superior capabilities and adaptable, future-proof technology, TOCNET-G4 is both a command post and vehicle intercommunication system in a single, powerful package. With TOCNET-G4, the future of tactical communication is now.

Versatile + Refined

In developing TOCNET-G4, SCI drew on extensive customer feedback to craft a platform that outperforms the competition while cutting costs and reducing space requirements. The result is a versatile, refined system that delivers both exceptional communications capabilities and significant Size, Weight and Power (SWaP) advantages. Trade studies and user evaluations consistently place TOCNET-G4 at the head of the pack with top ratings for intuitive operations, audio quality and performance in low-light conditions.

Leveraging SCI's latest innovations for increased performance and dramatically reduced SWaP costs, TOCNET-G4 is ideal for virtually any expeditionary operation, whether at the halt or on the move.

Committed to Innovation

TOCNET-G4 isn't just the most powerful system of its kind on the market today. Thanks to SCI's ongoing commitment to innovation, it will remain a future-proof communications solution for years to come.

Inspired by the wide-ranging functionality of commercial plug-and-play technologies, TOCNET-G4 utilizes the operational adaptability of Multifunction Interfaces (MFIFs) to offer unrivaled flexibility and longevity in the tactical environment.

Features/Benefits

• Designed, developed, manufactured and supported in the USA
• Upgradable and scalable via SCI's advanced software-defined architecture
• Future-proof with SCI's continued investments in expanded features and capabilities.
• Certified for operation on government networks, mitigating the risks with ever-changing Information Assurance requirements
  • U.S. Army SIPRNet
  • Joint Interoperability Test Command (JITC)
• Rugged to:
  • MIL-STD-461 EMI
  • MIL-STD-810 Environmental
  • MIL-STD-1275 Vehicle Power Supply

ConOps (Non-Exhaustive)

• CP
• ITN
• VIS
• Dismounted Special Operations
• Mission Command
• COE
• UAS
• Maritime
• CSFO
